Rounds of Questions

Championship Round

Presentation of Awards, Karen Price

Closing, Door Prizes, Kara Holmquist

## Rules and Procedures

- At the start of each round the moderator will introduce team members.
- Each question will be read by the moderator and the question will be shown on the screen.
- Teams should consult before answering and give the group response.
- Teams will write the answer on their white board and raise the board only when so directed by the moderator.
- The moderator will announce the correct answer. The scorer in front of each team will decide if the answer is correct.
- The judges will resolve any controversial answer.
- Minor spelling errors are allowed at the discretion of the judges.
- The winning team from each round will advance to the Championship Round.
- The Championship Round is single elimination. If the team misses the question they put their team name sign face down but remain seated on the stage.
- Scores for each round will be recorded on the scoreboard and erased after each round. A master scoring grid will be kept by the master scorekeeper and one of the judges.
