## Health Care Coverage in Massachusetts: What's Broken and Can Medicare 4 All Fix It?

Thursday, October 24 at 7:00 pm,  
Center at the Heights- 300 Hillside Avenue, Needham

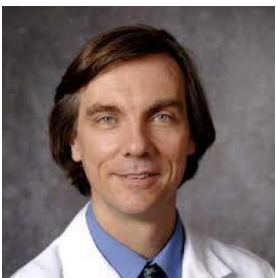

### THE PROBLEM

Despite expanded health insurance in Mass, thousands of our family, friends & neighbors remain unable to see a primary care doctor, get routine tests, or fill a prescription. Working for a small company or holding part-time job can mean living only a short step from medical and financial disaster.

### IS MEDICARE 4 ALL THE SOLUTION IN MASS?

Please join local experts to discuss:

- Healthcare as a human right
- Pros and Cons of the current Healthcare System in Massachusetts
- The Proposed State Legislation
- The Transition to M4A: costs and benefits
